I THEREFORE MOVE THAT THE BOARD OF SUPERVISORS, close the public hearing on Project No. R2014-00667-(4) and then consider the Mitigated Negative Declaration associated with the project together with any comments received during the public review process, find on the whole record before the Board that there is no substantial evidence the project will have a significant effect on the environment, find that the MND reflects the independent judgment and analysis of the Board, adopt the MND and find that the Mitigation Monitoring and Reporting Program for the project is adequately designed to ensure compliance with the mitigation measures during project implementation.
